## PEARL HARBOR HASH

Whether or not the American people are yet con-  
vinced that some earth-shaking scandal lies behind the  
mystery of Pearl Harbor, there certainly is no room to  
deny that the Democratic record in the Pearl Harbor in-  
vestigation is a scandal in itself.

Under cover of bland promises for a complete and  
open investigation, every conceivable attempt has been  
made to muzzle the committee and to keep the lid safely  
on anything which might lead to criticism of the War  
Department, prominent New Dealers, or the late President  
Roosevelt.

The situation simmered for several weeks. Now it  
has boiled over. So violent is feeling now that it is doubt-  
ful whether any further action by the present committee  
can be taken which will not be suspected both by members  
themselves and by the American people.

Perhaps that was the Democratic idea.  
The joint Congressional committee was appointed  
nine weeks ago after President Truman, unsuccessful in  
an attempt to put the blame on the whole American  
people, decided to ask for a complete investigation. Sen-  
ator Barkley, administrative spearhead in Congress for  
two New Deal Presidents, sponsored the committee and  
promised that it would be allowed to get to the bottom of  
the Pacific disaster.

From the start the committee was whipsawed.  
There was a very excellent precedent for successful  
investigation by such a body. The President himself, as  
head of the Truman committee, worked out the pro-  
cedure. When the Truman committee was probing war  
scandals, a simple device made sure that the truth was  
not suppressed.

Every member of the Truman committee was al-  
lowed to make his own investigations into whether the  
witnesses were telling the facts and whether other leads  
should be followed. The result was that when the com-  
mittee got ready to report, all the members could agree  
on what was so and what was not.

Was this method followed in the Pearl Harbor probe?  
Oh, no!  
One of the first steps taken by the Democratic ma-  
jority was to vote that the committee could function only  
as a whole, and that individual members could do nothing  
on their own.

When you read in the newspapers that Senator  
Barkley or someone else says "the committee" can see  
certain papers or can question certain individuals, what is  
really meant is that this can be done only if allowing it  
happens to fit in with the political plans of the Democratic  
majority.

The result, as has been demonstrated repeatedly is  
a complete and effective censorship which is all the more  
disturbing because it is internal.

But the committee has hit many other snags. Presi-  
dent Truman first promised full access to all information.  
Then some subjects were suppressed on the grounds of  
"military secrecy." Then a series of conflicting directives  
were sent out which has left every government employe  
or serviceman up in the air to what he is allowed to tell  
and under what circumstances.

Meanwhile the minority members woke up to the  
fact that their own counsel—selected by the Democrats,  
of course—was helping muddy the investigation. A  
sensation was created in Congress when letters were pro-

### Attlee Makes Appeal for Strong United Nations Organization

Washington—Prime Minister Clement Attlee made an appeal to a  
joint session of Congress today for world peace and a strong United Na-  
tions organization founded on the "brotherhood of man."

The British leader, making his first appearance before Congress, de-  
livered a lengthy speech in which he sought to explain the aims of his  
Labor Party.

He left untouched most of the pressing problems of the postwar  
world and devoted the greater part of his address to explaining the aims  
of the British Labor Party.

Attlee appealed for world co-operation in banishing the threat of war,  
and "good neighborliness," he said, "That where science has placed such  
potential abundance before the human race we should collaborate to take  
advantage of it rather than scramble and fight for larger individual shares  
which only results in an immense increase in poverty."

"We believe that we cannot make a heaven in our own country and  
leave a hell outside."

"We believe this not only from a moral basis of our movement which  
is based on the brotherhood of man, without distinction of race or creed  
but also from an entirely practical standpoint."

"We seek to raise standard of life of our people. We can only do so  
by trading with the rest of the world and as good traders we wish to have  
prosperous customers."

### VICTORY PARADE ATTRACTS CROWD

Celebration Staged At South

### PRIZES ARE AWARDED

SOUTH LANGHORNE, Nov. 13.—  
The Victory parade, which members  
of the Associated Business Men of  
South Langhorne had planned for  
the past few months, attracted a  
few thousand spectators and was  
participated in by nearly 1000 in-  
dividuals here on Saturday afternoon.

Arranged in celebration of the  
recent victory by the Allied Nations,  
and to express publicly a welcome  
to returning servicemen and  
servicemen, the affair also prom-  
oted the sales of Victory bonds during  
the Victory loan drive.

Junior drum and bugle corps  
units vied for honors in the line of  
march; and following the parade  
through a large portion of the bor-  
ough there was competition be-  
tween color guard units, with cash  
prizes awarded.

Commencing at 2:30 o'clock the  
parade required three-quarters of  
an hour to pass the judges' stand  
on Bellevue avenue. As the color-

the thoroughfares six airplanes

### Resolution Expressing Gratitude and Appreciation—Bur- gess Jacob C. Schmidt, Sr., Advises Council There Will Have To Be Many Important Decisions Made in The Development and Management of The War Memorial Park.

Bristol Borough Council last night accepted the offer  
of Senator Joseph R. Grundy to give 14 acres of centrally-  
located land and the sum of \$25,000 for the creation of a  
War Memorial honoring the young men and young wom-  
en of this community who have served in the recent war.

The Bristol Planning Commission, consisting at  
present of Burgess Jacob C. Schmidt, Sr., and Borough  
Engineer John S. Roberts, Jr., together with Senator  
Howard I. James, borough solicitor, were asked to serve  
as a committee on arrangements to work out a program  
for developing and managing the park, and to report back  
at the next regular council meeting, December 10th.

By a unanimous vote the Council members passed a  
resolution introduced by Councilman Louis C. Spring,  
which opened the way for Bristol to have a living war  
memorial with a large playground for smaller children  
and an athletic field with football gridiron and baseball  
diamond.

The letter from Senator Grundy was presented to  
council by Burgess Schmidt, who spoke as follows:

There is a matter before us to-  
night which is so important and so  
gratifying that I think it ought to  
be made the first order of business.

I have here a letter which you  
read about in the newspapers. It  
is an offer from one of our most  
distinguished and generous citizens,  
Senator Joseph R. Grundy, to give  
fourteen acres of centrally located  
land and the sum of \$25,000 with  
which to create a living memorial  
in the form of a park with play-  
grounds and athletic fields.

Senator Grundy's offer speaks for  
itself. I don't know of any more  
appropriate or more welcome gift  
which the Borough could have re-  
ceived at the hands of a man who  
spent 28 years in this Borough  
Council and who has contributed  
so much to the improvement and  
development of the community.

It is a matter of a great deal of  
pride to me to be the one to whom  
Senator Grundy's letter was ad-  
dressed, and the one to lay this  
matter before you.

As to the offer itself, I don't  
know of any better way of present-  
ing it than to read Senator Grundy's  
letter:

"Dear Burgess Schmidt:  
"Since you are chairman of the  
Bristol Borough Planning Commis-  
sion, as well as Burgess of Bristol,  
I believe you are the proper person  
to approach with a matter which  
is in my mind.

"I am exceedingly proud of Bris-  
tol's great contribution to the cause  
of Victory through the patriotic  
services in the Armed Forces of our  
splendid young men and young wom-  
en—many of whom laid down  
their lives in defense of the Ameri-  
can Flag."

## BRISTOL HIGH SCHOOL ELEVEN SUFFERS HUMILIATING DEFEAT AT HANDS OF MT. AIRY TEAM

MT. AIRY, Nov. 13.—Playing like a group of grammar school boys, the Bristol High School team suffered a surprising and humiliating defeat at the hands of the Pennsylvania School for Deaf, Saturday afternoon, before a small crowd.

Picked to beat the Deaf School team by at least four touchdowns, Bristol found itself on the short end of a 13-37 score. However, the only consolation Bristol received was that it outscored the winners in first downs, 10-7.

Only in the third period was Bristol able to penetrate the goal line of the much lighter P. S. D. team. They had several other scoring opportunities but passed them up. And the Bristol aerial attack was a complete flop as the Deaf School team intercepted three damaging passes.

On the other hand, P. S. D. had a fine passing system with "Hy" Lakin catching two passes which meant touchdowns. It was this same Lakin that caught a pass two years ago which beat Bristol. Lakin should have scored a third touchdown when he intercepted a pass but fell when near the goal line. No Bristol player was close by when Lakin tripped and dropped on the 15-yard line.

Mated with Ralph Hunsinger, Lakin was on the receiving end of several passes and when Hunsinger wasn't throwing them, he was ripping the heavy Bristol line to pieces with his plunges. In the second period, prior to the scoring of the touchdown, Hunsinger was tearing off five and six yards on every smash at the Bristol line.

There was no reason why Bristol should not have scored a touchdown in the initial period as they reached the 15-yard line of the Mt. Airy boys immediately following the kickoff. But here the offense was stopped when Merchinsky intercepted a pass.

The P. S. D. fullback kicked out of danger but the Bunnies started another drive until they reached the home team's 25. Here Lelinski tossed a pass which Lakin intercepted. Lakin fell as he reached the Bristol 15-yard line.

In the second period, Bristol got as far as the P. S. D. twenty with first down. On the first play, Accardi lost six yards on an attempted end run and when the four downs were up, the Bunnies were only up to the resident team's 14.

Here Hunsinger took full charge. Time and time again he took a plunge at the left side of Bristol's line and on each occasion he was clipping off five yards. When he reached the 45, he went back to pass. Two Bristol players tried to block him but he side-stepped them and then tossed a long pass to Lakin who was beyond the safety man. Lakin caught the ball and ran unmolested to the goal line. Halsey's try for the extra point failed.

Trailing 6-0 at the start of the third quarter, the Bunnies came to life and scored a touchdown and extra point to take the lead, 7-6. The Buns worked the ball to the 17-yard line on straight football. Then they were set back for coaching from the sidelines. Lelinski went back to pass but Hunsinger got his mitts on the floater for an interception. Halsey then booted out to his own 43.

Accardi on an end skirt netted 22 yards and Feole followed with an off-tackle play which was good for 15 more yards, bringing the ball to the six-yard line. Centenze made three yards through center and Feole carried the pigskin over on the next play. Centenze went over on a weak side play for the extra point.

After an exchange of punts in the final quarter, Bristol was again in the shadow of its goal-line when they were downed on the 16-yard line. Coles tried an end run and was nipped for a six-yard loss. Lelinski booted to the 31. A pass, Hunsinger to Crush, put the ball on the 11-yard line. On three plays, Hunsinger failed to gain but on the fourth down, he tossed an aerial to Lakin for the winning touchdown. Hunsinger hit the line for the extra point to make the final score: P. S. D., 37; Bristol, 7.

Lineups: (7) Bristol: L. E. Stecke, L. G. Morba, R. G. McAlouse, R. T. Walters, R. E. Lakin, Q. B. Merchinsky, L. H. B. Schmoeyer, R. H. B. Hunsinger, F. B. Shiekman. Score by quarters: 0 0 7 0—7. Touchdowns: Lakin, 2; Feole, 1. Points after touchdowns: Centenze, Hunsinger.

Substitutions: For Bristol—Moser, Townsend, M. Janucci, Shelly, Pene, Sabol, for P. S. D.—Gunner, Del-Russo, Halsey, Reinhold, Tranter, Orlica, Gulya, Ekanusky, Foster, Terry.

Referee: Altomere. Umpire: Gillespie. Head Linesman: Trautwein.

**MORRISVILLE DEFEATS LANGHORNE ELEVEN**

MORRISVILLE, Nov. 13.—Led by "Tommy" Phillips, the Morrisville Bulldogs tied Bristol for the Lower Bucks County League championship, Saturday afternoon, defeating Langhorne, 25-9.

Phillips scored a quartet of touchdowns in the Morrisville triumph. One of his touchdowns was a 50-yard pass thrown by Jim Harms and another was a 35-yard end run as the game was drawing to a close. Passes also accounted for the other Bulldogs' scores.

"Doc" Righter scored the only Langhorne touchdown in the first period when he was on the receiving end of a nicely thrown pass by "Inky" Schneider. Righter also converted the extra point to give the Redskins the lead. Morrisville went ahead by scoring a touchdown in the second quarter but the best Langhorne could do was to get a safety.

It was the third consecutive win for Johnny Hoffman's proteges.

Lineups: (25) Morrisville: L. E. Hibbert, Marucci, L. T. Tucker, Morris, L. G. Kaleda, Johnson, C. Wheeler, Lang, R. G. Martindell, Greenlee, R. T. Keller, Chubb, R. E. Pizzano, Phillips, L. H. B. **BENSALEM WINS 3RD GAME; DEFEATS GEORGE SCHOOL**

Cornwells Heights Boys Win Football Contest By Score 26 to 0

OFFENSIVE VERY GOOD

Will Now Be Favorites To Win Over Langhorne In Turkey Day Game

CORNWELLS HEIGHTS, Nov. 13.—Coach John Bixler's Bensalem High School team won its third straight game Saturday afternoon on this field, trimming the George School eleven, 26-0.

The Bensalem team showed its best offensive form of the season in walloping the George Schoolers and as the result of the overwhelming score, the Owls will be a favorite when they clash with Langhorne in their annual Thanksgiving Day battle. Langhorne barely beat the George School team.

In reality, although the score doesn't show it, the Owls' offense was strong from the start. The team gained a total of 100 yards from scrimmage in the first half of the game and only one touchdown to show for it. This score was the result of a 35-yard pass, Jack Hansen to Farnow.

The Cornwells boys scored again in the third quarter when, after a long march down the field, Hansen crashed over the goal-line from the six-yard line. He used an off-tackle slice to count. Hansen then passed to Dapp for the extra point.

Before the third session was over, the Owls had registered another score when Laster carried the ball to the five-yard line on a 15-yard end sweep. Kleha hit pay dirt with a line back from the five. Hansen then place-kicked the conversion tally, making the score 20-0.

A pass, Hansen to Dapp, set up the scoring play for the final touchdown: The aerial was good for 35 yards and brought the ball to the five. Hansen and Laster moved up the ball two yards in two line plays but on the third try, Laster juggled the ball over for the touchdown.

Lineups: (26) Bensalem: L. E. Conover, Dapp, L. T. Marshall, Bruck, L. G. Bushman, Feldman, L. G. Gagliardi, Salomon, C. White, Turner, R. G. Fowler, Farnow, R. E. Fredericks, Hansen, Q. B. Sauerman, Abe, L. H. B. Cornwell, Laster, R. H. B. Shultz, Kleha, F. B. Lightfoot. Score by quarters: 6 0 14 6—26. Touchdowns: Farnow, Hansen, Kleha, Laster. Points after touchdowns: Dapp, Hansen. Substitutions: For Bensalem—Loper, Alkops, King, Ashton, Mullens, Cullen, Franco, Vanzant, Week. Referee: McCoy. Umpire: Secor. Head Linesman: Beck.

**Letters To The Editor**

R. D. L. Croydon, Pa. Editor, Courier.

Dear Sir:—I am inclosing a paragraph from a letter received from my nephew in Italy. I think it rather timely.

"I can't help but feel contempt in my heart for those port and dock workers who went on strike in New York and tied up all those ships. It means that each man in Italy will be getting home a month later. It means that thousands of G.I.s who have not spent a Christmas at home for three or four years will again be missing this Christmas at home. On every G.I.s lips is this prayer: 'Oh! Lord, please have us home for Christmas.' A G.I. does not care too much for a month, one way or the other, of coming home, but to be home for this Christmas. But this Christmas makes a difference if, but for those strikers, I would be coming home Dec. 22nd, instead I will be home Jan. 22nd, that one month is a lot out of our lives over here. All I can say is 'Thanks' to those guys and I will be thinking of them on Christmas Day.

PFC. SAMUEL HORN, 2686 P. W. Adm. Co., A. P. O. 428, c/o P. M. G., New York."

a farmer to bring a mower to clean up the lot, but had been unsuccessful.

Secretary William J. Lefferts also reported that the police had served notices on all such property owners ordering them to have the weeds cut. In some parts of the sixth ward this procedure had had the desired results.

Councilman Samuel H. Conklin, also of the sixth ward, called attention to the fact that there were several lots along Wilson avenue where the weeds are an eyesore and a source of neighborhood complaint.

There was general discussion on the question of whether the best procedure to enforce the ordinance would be to have the borough do the work itself and then file a lien against the property to recover the costs, or to attempt to fine those who disregard the ordinance against such weeds.

By general consent the matter was referred again to the police committee with a request from the president pro tem, Councilman Charles J. Rathke, who also comes from the sixth ward, that the committee attempt to get action within a week.

In calling the meeting to order, Burgess Jacob C. Schmidt, Sr., greeted Edward J. Mulligan, fourth ward councilman, who has been in the Army since March 2, 1942, and was attending council for the first time since his discharge last October 15. He had spent forty months overseas.

The police committee reported seven arrests during the month. Four of the offenders were held for the court, one fined, one discharged and one case continued. Sixty-eight lodgers were given shelter. Police found the doors of four business houses unlocked. Twenty-nine incandescent and four are lights were reported out. Seven motorists were fined for parking violations.

A special meeting of council was arranged for 7:30 p. m. tomorrow for the purpose of approving and accepting bids for the forthcoming \$54,000 bond issue for water works. These bids are to be opened at 5 p. m. today by Secretary Lefferts in the presence of the Finance Committee.

duced in which the attorney asked the War Department to take over the job of picking witnesses—who were to testify against the War Department!

One of these letters contained the astounding assertion that the question of whether the delays in completing the additional airfields so urgently needed in the Pacific bases "were due to incompetency, drunkenness, lack of organization or disloyalty is of no direct importance in this inquiry."

Further, it was said before Congress that while the Pearl Harbor committee has been organizing, the War Department, acting under orders of former Secretary Stimson, has sent entirely around the world gathering affidavits in which officers and men retract and deny testimony they previously gave concerning the breakdown at Pearl Harbor.

Equally upsetting was the discovery that the committee's own record of its transactions was unreliable, so much so that it contained no references to important proposals which had been voted down by the Democratic majority.

As special pleading goes, Senator Barkley has done quite a job insisting that everything is on the up and up and that "the committee" has ample authority.

He has been in a good many tight holes, and thus far has got out, though frequently with loss of dignity. Recently, for example, he attempted to make a categorical denial that any important papers bearing on Pearl Harbor were missing, as had been charged by several committee members.

After a lively exchange, he was tripped and gave this explanation: "Some of the papers were displaced, and have not yet become located."

But the main thing which appears to have been "displaced and not yet located" is Senator Barkley's original promise that the investigation:

"... ought to be so complete and so fair that no person could doubt the good faith of the report and the findings made in it, or those who make it."
